

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Amend Agreement with San Joaquin Regional Rail Commission for Acquisition/Ownership/Construction of the Lodi Multimodal Station

MEETING DATE: July 15, 1998

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution authorizing the City Manager to execute an amendment to the agreement with the San Joaquin Regional Rail Commission (SJRRRC) for the acquisition/ownership/construction of the Lodi Multimodal Station.

BACKGROUND INFORMATION: On April 2, 1997, the City Council approved an agreement with SJRRRC for the site acquisition, design, and construction of the Lodi multimodal station. As part of that agreement, SJRRRC was responsible for bidding and awarding the construction project as well as for processing of payments from the construction contractor.

Due to reduced staffing at SJRRRC and its potential adverse impact on the delivery of the multimodal station, SJRRRC has requested that the City of Lodi assume responsibility for bidding, award and payment processing for the construction of the station. We intend to handle these tasks with current staff, including our contracted Construction Manager, Gary Wiman, who is currently wrapping up work at Hutchins Street Square. These costs will be charged to the project.

FUNDING: Not applicable.
